

Educational Book and Media Association

WE AWARD THE FOURTH JEAN SRNECZ AWARD

To

Roger Rosen

Because he's been a publisher for almost 4 decades and brings that experience and knowledge to the collaboration, partnerships, and lasting relationships he creates for the betterment of the educational publishing industry;

Because he is an innovator. An eBook pioneer. He was one of the first educational publishers to formalize eBook and database structure and delivery;

Because he regards the library as a great democratic institution. Librarians as the leaders, the champions of the communities of which they serve;

Because he is an advocate for social justice. He empowers both school and public librarians with tools to improve their voice within their communities, their districts, and within the government;

Because you are a leader, a forefather in the information revolution. A Champion for the library and the classroom. Key to its accessibility, its innovation and its future.

In Deep Appreciation
